```
graph LR; A[recommendation_system.MovieRunnerSimilarRatings.main] --> C[recommendation_system.RaterDatabase.size]; B[recommendation_system.MovieRunnerSimilarRatingsOptimizedByWeiXu.main] --> C;
```

The diagram illustrates a flow or dependency. On the left, there are two white rectangular boxes. The top box contains the text 'recommendation_system.MovieRunnerSimilarRatings.main'. The bottom box contains the text 'recommendation_system.MovieRunnerSimilarRatingsOptimizedByWeiXu.main'. On the right, there is a single gray rectangular box containing the text 'recommendation_system.RaterDatabase.size'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both components on the left contribute to or depend on the component on the right.
